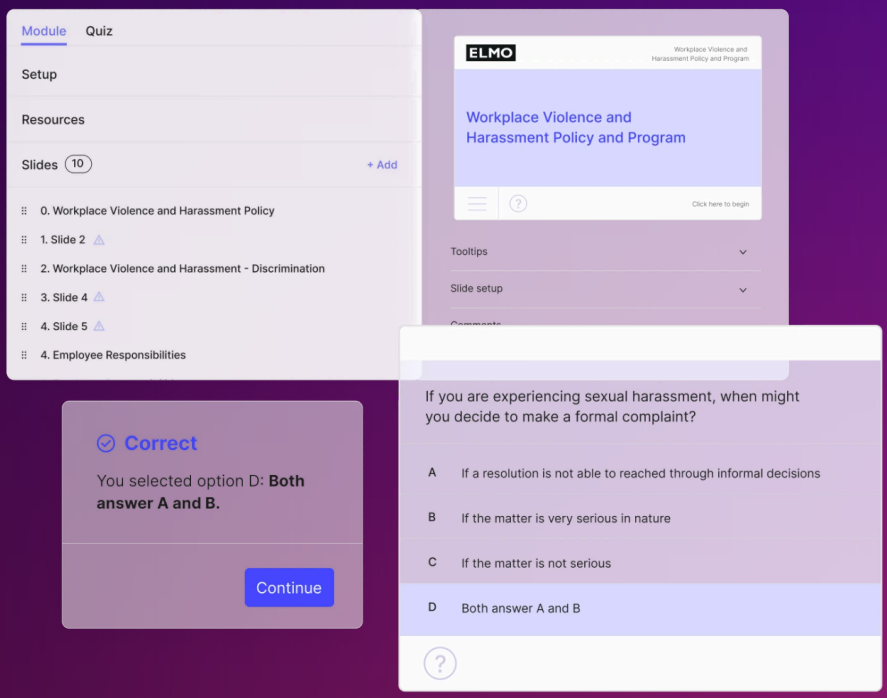
ELMO

Content Library

Launch learning faster with content that fits your organisation.

ELMO Content Library helps HR and L&D teams roll out learning sooner with 400+ ready-to-use courses and videos they can use immediately or customise to their needs.



"The fantastic Course Library includes technical courses, soft skills for managers, as well as industry-specific courses."

Kseniya Ivanchyk, People and Culture Generalist, The Co-operative Life

Building learning takes time.

Without a ready-made starting point, teams can face:

- Slow course creation
- Limited content coverage
- Compliance issues
- Unaddressed capability gaps

The ELMO difference

Get broad learning content

Give learners immediate access to 400+ courses and videos spanning compliance, soft skills, leadership, communication and productivity.

Launch quickly and tailor

Start with ready-to-use courses to get learning live sooner, then personalise eligible content where it matters for your teams and objectives.

Support compliance delivery

Use regularly refreshed legislative content aligned to ANZ requirements to support compliance learning.

How ELMO Content Library works

1 Review the course list

Browse the Course Library catalogue to find courses relevant to your learning objectives, intended audience and planned rollout. Courses have been built by ELMO L&D experts and are updated regularly.

2 Tailor learning content

Edit eligible course content to reflect your organisation's branding, policies, and real-world scenarios.

3 Set assessment options

Before publication, configure question types, pass marks and randomisation to suit the selected learning activity.

4 Assign and track learning

Use ELMO Learning to assign courses, track learner responses and keep a verifiable audit trail of learning activity.
